*Gluten Free in Nature
(we also have a gluten free bun)

Our friends at the health department asked if we would kindly remind you that consuming raw or undercooked meats of any kind may increase your risk of food borne illness. Also, we cook around all sorts of fun ingredients like: local dairy, local eggs, not-so-local soybean, fish and shellfish. If you're allergic to any of these, let us know and we'd love to make you something separately.
